Big 5 Talks Silver Sponsor

Bringing together key buyers and exhibitors in Nigeria's construction industry

The 6th edition of Big 5 Construct Nigeria took place from 22 - 24 September 2026, bringing together 173 exhibitors, with strong local and international participation reflected in 21 countries and 6 national pavilions.

The event welcomed 10,626 attendees, connecting construction professionals across key disciplines, including contractors, architects, engineers, consultants and distributors.

The event delivered 31 CPD-certified Big 5 Talks, featuring 65 speakers and attracting 970 industry professionals who gained valuable insights and CPD points to support their ongoing professional development.

The Screw It Challenge brought an interactive element to the event, giving visitors the chance to put their speed and precision to the test. Sponsored by Bosch, the challenge invited participants to race against the clock for the chance to win a Bosch tool kit, with every challenger also receiving a Bosch-branded giveaway.

Top 5 moments from Big 5 Construct Nigeria 2026

1

Opening with industry leadership

The event opened with the participation of Engr Agberagba Valerie Ifueko, Deputy President of the Nigerian Society of Engineers (NSE), alongside senior officials representing the Italy, Egypt and Türkiye country pavilions, kicking off three days of business connections, knowledge exchange and opportunities across Nigeria's construction sector.

2

A strong international presence

173 exhibitors from 21 countries came together, including 6 country pavilions, bringing local and international companies, products and solutions to Nigeria's construction market.

3

The right buyers in the room

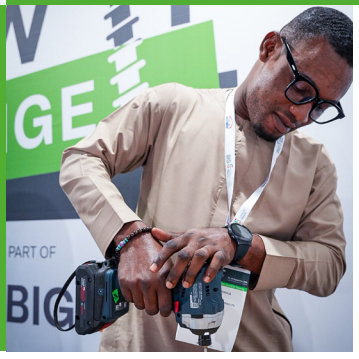
The event welcomed 10,626 professionals, including contractors, architects, engineers, consultants and distributors, connecting exhibitors with relevant industry audiences.

4

Industry expertise takes the stage

Big 5 Talks brought together 970 professionals across sessions on architecture and design, project management, sustainable building materials, technology and facades. With 65 speakers across 31 talks, the programme supported knowledge exchange and professional development.

5



Experience meets engagement

The Screw It Challenge, sponsored by Bosch, added an interactive dimension to the event, giving visitors the chance to test their speed and precision while experiencing Bosch tools in action. Participants competed for the chance to win a Bosch toolkit, adding an exciting competitive element to the experience.

BIG 5 TALKS

970 CPD-certified professionals at Big 5 Talks

Over three days, industry professionals engaged with insightful sessions at Big 5 Talks, covering architecture and design, project management, technology, sustainable building materials and facades. The sessions attracted project managers, architects, sustainability consultants, technology specialists and business leaders, providing a valuable opportunity for knowledge exchange and networking with leading experts and peers.
